

G4ME™ ONE Open Acoustic PC Gaming Headset

G4ME™ ONE

G4ME™ ONE

Feel the rush, the beats, the tension and the awesome sound - not your headset. The Sennheiser G4ME™ ONE open acoustic gaming headset features an extremely accurate and natural sound experience. The open design keeps your head cool and plush velvet ear pads ensure that G4ME™ ONE offers ultimate comfort.

Benefits and Features:

- Keep your head cool while gaming – due to the open design air can be led through to your ears
- Ultimate comfort - plush velvet ear pads let your skin breathe and give you the best comfort
- Designed for players – a new modern lightweight design and robust mechanics for long-term sustainability
- Hear every detail of the game - extreme sonic clarity and accuracy with Sennheiser's original transducer technology. The speakers have been customized and optimized for PC gaming
- Perfect for long gaming sessions - due to the XXL ear pads ensuring no ear pressure
- Crystal clear conversations – are ensured with the pro noise-canceling microphone
- Convenient microphone mute – by simply raising the boom arm
- Intuitive control – the volume control is integrated on the right ear cup
- Braided fabric cable – reduces tangling and for long-lasting durability
